1. UC DAVIS HEALTH SYSTEM PARENT RESOURCE GROUP

Please invite your colleagues to join this group - it may be a very important gathering place these next few weeks!

Additionally, with the planned closures for multiple school districts and childcare centers in our area, we are aware that child care will be a major challenge for most families. We wanted to share with you the existing resources that are available to you:

The University of California Office of The President provides *Sittercity*, exclusively by Bright Horizons as part of Bright Horizons Care Advantage™, to help you find care. A \$140 value provided to most UC employees. Registration and eligibility information is available at [UCnet](#) using the [Care Advantage Tutorial](#)

We know that many of you will be also turning to colleagues, family, friends and neighbors for assistance during this time of need and would like to thank you in advance for being engaged members of our community as we help each other during these most difficult times.

2. CALL FOR APPLICATIONS FOR MEMBERSHIP ON 2020-21 UC DAVIS ADMINISTRATIVE ADVISORY COMMITTEES

I encourage you to become involved in issues affecting the UC Davis community by applying for membership on a UC Davis Administrative Advisory Committee for the 2020-21 year. These Committees address topics such as arts, child and family care, diversity, student services, and research, and provide an opportunity for all constituencies—Academic Senate and Academic Federation members, staff, graduate students, and undergraduate students—to participate in governance of the campus.

As a member of an Administrative Advisory Committee, you can ensure that your constituency's perspectives are well represented in the Committee's recommendations to the administration. You can also help representatives from other constituencies understand your interests and concerns and, in turn, learn more about their views of campus issues.

As indicated in our [Principles of Community](#), we aspire to create an inclusive community and therefore committee members are selected based on the interest of applicants coupled with the desire to have each committee reflect multiple dimensions of diversity – for example but not limited to ethnicity, gender, academic discipline, etc. – to inform administrative decision making.

I hope you will participate in this advisory system. An application form, a list of the committees with brief descriptions of their activities, and other information are available on the web at <http://aac.ucdavis.edu/>. The deadline to submit applications is Monday, April 13, 2020.

Ralph J. Hexter
Provost and Executive Vice Chancellor
