

Steps to Create a Service Request for REDCap Database on Behalf of Another UC Davis Health Employee

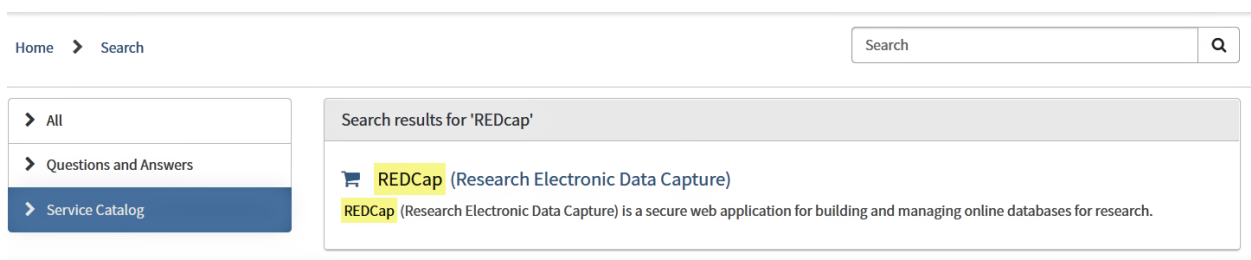

Note: Non-UCDHS Users will need to obtain a Kerberos login and must have a UC Davis Health System sponsor submit the Service Request on their behalf. If they do not have a Kerberos login, it can be obtained from the [UC Davis Computing Account Services](#) website.

1. Log in to ServiceNow by clicking this [link](#) or typing “ITSS” on your Internet Explorer Browser.

Once logged in, click on “Request Service”.

2. Type in “REDCap” in the search box and press “Enter”.

3. Provide your Kerberos ID and the REDCap project CTSC number or title in the comments box. Click **“Add to Cart”**.

Home > Service Catalog > Access Requests > Academic > Graduate School of Medicine > Search

REDCap (Research Electronic Data Capture)

REDCap (Research Electronic Data Capture)
